## TECHNICAL TRAINING CENTER

# 2019

# RIELLO BURNERS

## COURSE DATES

**September 19**

Courtyard Lancaster  
1931 Hospitality Drive  
Lancaster, PA 17601  
717-393-3600

**9:00 am –1:00 pm**

With today's high energy costs, efficiency is more important than ever. Riello is always at the top of combustion efficiency ratings and is being used by more and more equipment manufacturers. Learn the ease of installing and troubleshooting Riello burners.

### **Riello Burners will cover:**

- Riello Oil & Gas Burner Components
- Sequence of Operation
- Primary Controls
- Combustion Air Adjustment
- Efficiency
- Troubleshooting

**Registration fees include the following complimentary items:**  
Lunch will be provided at conclusion of class.

**Our Instructor:** Joe Sacco graduated from Hudson Valley Community College and began work as a Senior Service Technician at Main Care Energy. He later became an outside Sales Rep at Comfort WinAir. He currently is an area manager at Riello North America.

**REGISTRATION FEE:**  
**\$80/PPATEC Member**  
**\$100/Non Member**
