EPA 608 Certification Prep & Test

Taking the EPA Section 608 certification is a crucial step for anyone who wants to work in the HVAC field. Successfully passing this test gives you a lifelong license. It's also good across the country - so if you decide to move to another state, you're still covered. The program will feature a morning preparation along with an afternoon test.

Cost Structure

- **PPATEC Members - Discounted Registration (\$100.00):** For PPATEC Members who participated in the three-day Intro to AC training
- **PPATEC Members - Normal Registration (\$200):** For PPATEC Members who are only participating in the one-day EPA 608 Certification Prep & Test
- **Non Members - Discounted Registration (\$125.00):** For Non Members who participated in the three-day Intro to AC training April
- **Non Members - Normal Registration (\$250):** For Non Members who are only participating in the one-day EPA 608 Certification Prep & Test

Our Instructor: Ed (Eddie) Howell brings over 40 years of industry experience to the PPA technical training program. Eddie began his career working for a PA-based HVAC company for nearly two decades. He has spent the last 25 years at APR Supply which included managing their training efforts for the 30+ locations. Ed's credentials include Nortek TSA, NATE Certified in four disciplines (A/C, HP, Gas Furnace, and Oil & Gas Hydronics), RSES Member, and local OESP Chapter member.
