TRAIN YOUR TEAM

LOOKING FOR INDUSTRY TRAINING?

The Pennsylvania Petroleum Association Technical Education Center (PPATEC) offers leading hands-on training solutions for the HVAC and energy industry. Our program offers reoccurring training options for employers who want to develop the technical skills of their team in a third party learning environment.

- → Increased technical ability
- → Structured workforce development
- → Enhanced apprenticeship program
- → A more versatile technician
- → Greater worker safety
- → Reduced labor turnover
