In 2025, the Pennsylvania Petroleum Association will be expanding our trade school (PPATEC) to a larger facility. This move will allow our association to significantly enhance hands-on technical training opportunities for current and future industry employees. The PPA is asking key stakeholders to consider supporting this historic workforce development project by contributing to our Founder's Circle.

FOUNDER'S CIRCLE CONTRIBUTION LEVELS

	LAB FOUNDER: $100,000	CLASSROOM FOUNDER: $50,000	SUPPORTING FOUNDER: $25,000	SILENT FOUNDER: $10,000*
